**Re: Rhone-Poulenc Inc., Marginal Way Facility**  
**RCRA AOC**  
**Docket No. 1091-11-20-3008(h)**  
**WAD 00328 2302**

**May 28, 2004 Certification by Mr. Pete Wold in Response to EPA's**  
**April 21, 2004 Information Request**

Dear Jennifer:

Per our negotiations of the above-captioned February 15, 2005, Stipulated Penalty Demand, enclosed please find the May 28, 2004 Certification by Mr. Pete Wold, the then Project Coordinator for Respondents that addresses Allegation 11 of the Demand. For the reasons we discussed during the negotiations, Respondents were unsure at the time of the appropriateness of filing the Certification. However, that uncertainty was resolved by our discussions and per our agreement we are sending it to you for filing with the May 7, 2004 response. In short, Mr. Wold's Certification makes clear that all the information submitted in response to the April 21, 2004 Information Request was true, accurate, and complete.

If you have any questions, please do not hesitate to give me a call. Thank you for your courtesy and cooperation.

Sincerely,

David L. Blount

On behalf of the Respondents, I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to evaluate the information submitted. I certify that the information contained in or accompanying this supporting information regarding the April 21, 2004 EPA information request is true, accurate, and complete. As to those portions of the documents for which I cannot personally verify accuracy, I certify under penalty of law that all attachments were prepared in accordance with procedures designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who may manage the system, or those directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
